## WELCOME GROWERS & PRODUCERS

**W**elcome to our Grand Falls Milling Co., Ltd.'s Newsletter.

We have just launched our New Website on [www.feedoats.com](http://www.feedoats.com), please feel free to go take a look. We will post a new newsletter every month.

We would like to wish everyone a very Happy New Year; we hope 2010 will bring you much success and great crops this year.

On our new website, you can find all our 2010 available grain varieties with recommendation and trial information.

You can also call **1 (506) 475-8040** and we will send you a Free Grain Brochure.

### Get Superior Quality

Start the New Year with good clean crops. We can clean, clip and size your grain in one easy operation with our Portable Roto cleaner.

Exclusive rotating, scalping reels remove roughage, field trash and other foreign materials on incoming grain. Aspiration removes chaff, dust and more.

Please give us a call for more information at:

1 (506) 475-8040

We have qualified staff to answer all your questions.

- 1. Quality control for grain**
- 2. Assist in farmer recommendations**
- 3. Ensuring customer satisfaction**
- 4. Assess quality control measures in order to comply with our new HACCP + CIPRS plan regulations.**

Please feel free to contact M. Jean-Maurice Daigle, he will be glad to answer any questions you may have at: (506) 475-8040 or Cell: (506) 475-5588
